Event Information Below

Center Highlights

Toddler Time: Dr. Seuss – The stories we know, and love to read to our children will come to life to celebrate the birthday of their creator. Dr. Seuss. New Day FSC wants to invite you to the party. The party will include crafting, gaming, & eating. They all will be up to Dr. Seuss’s standards to be yourself & different.

Drawing Class- There is an artist waiting inside each and everyone of us. We will have an instructor walking us through the process of drawing a picture.

Financial Wellness Workshop- Ever wonder how money works? Are you paying off your debt in the best possible manner? Do you want to know about recent credit card traps & how life insurance policies really work? This is the workshop for you. Primerica workshops will be here to teach us all of this & more.

Craft Event: Jewelry & Comic Book – What is a better way to express friendship then to make a friendship bracelet and tell stories? Come and make a bracelet or comic book that will remind you of the friendship you share with New Day.

Family Activities

No Bake Cooking: Irish Potatoes & Shamrock Shakes- St. Patrick’s Day is a day that is now celebrated around the world. Join us for a family friendly event for the day. We will make two foods that remind us of the day. One is minty green & the other looks like potatoes (but tastes nothing like potatoes).

Melting Pot Café & Kids Craft- Curious about other countries? Want to meet people from the community who know other languages? Like to travel & want to learn about other places around the world? We provide the idioms & refreshments you provide your experiences. A seasonal craft will be ready to be made by the kids. This month we will be learning about spring traditions around the world.

STEAM Event: March Madness- Having fun watching the basketball games? Come out and test your skills at making something out of nothing. Can you make Green Slime or a catapult out of popsicle sticks? We will put your skills to the test and provide a March Madness themed snack.

Fitness: Self Defense/Karate- Join us for a night of exercise. We will learn techniques that will allow us to be able to defend ourselves should the need arise. Our instructor Master Moragne from Freestyle Martial Arts will be here to lead the way to help us get fit.
